2017   Lumen Learning – Front-End Developer/Designer (Intern)   Portland, OR

- UI/UX implementation of the company's settings page for Lumen's Waymaker OER courses. Design: Sketch 3.
- Coded in React.JS following WCAG 2.0 accessibility guidelines in the design and coded common React components to be used in other parts of the program as well.

2015-2016   City View Charter School – 7th/8th Grade Teacher   Hillsboro, OR

- Lobbied the State Legislature on Wolves in Oregon after studying their environmental and personal impact on Oregon communities for three months.
- Created a system of feedback and student-generated portfolio system instead of using a formalized grading system.

2010-2015   Discovery Middle School – Theatre Arts/Journalism Teacher   Vancouver, WA

- Taught five full time theatre classes and grew the program from 90 students to 160 applicants for 120 openings my first year.
- Guided production of the yearbook, a narrative non-fiction collection of student work publishing a total of 15 works over 5 years.

2002-2009   Barons in Trees – Songwriter/Touring Musician for 3 self-produced albums   NYC, NY / Portland, OR

Songwriter, composer, performer, graphic designer, press liaison, booking agent, recording engineer

CURRENTLY WORKING ON

Kyle Lange Portfolio - A digital home for my most current work written in React.JS.
  Languages: React.JS, CSS3, Javascript. Design: Sketch3

Node.JS API calls - using node.JS's non-binding magic to make API calls to fetch the weather for any zipcode/ treehouse points and badges for any user.

Asteroid!? - users can look up an asteroid using NASA's API and see how close that asteroid is to hitting earth on its orbit.
  Languages: React.JS, SASS, Javascript.
